

Burr Oak Gardens

Rio, WI

Mini Share \$200

The Mini is our Basic share delivered every other week for a total of ten weeks. Our members who sign up for this option are placed into one of two groups with a start date of either the week of June 13th or June 20th. You will be notified of your group placement after sign up.

Basic Share \$370

Most popular option! The Basic share is delivered weekly for our twenty week season. Each box contains between 8-12 items. The amount of each item is geared toward feeding two adults that like vegetables and do a moderate amount of cooking at home.

Double Share \$590

For the serious veggie lover or a family with children. The Double share is delivered weekly for our twenty week season.

Double Every Other Week Share \$350

For couples or families that don't like to cook as often, but like to cook in bulk.

Fall Storage Share \$125

The Fall Storage share is a great option for those of you who want to extend the season. The storage share is delivered twice in November and contains items like: potatoes, garlic, onions, leeks, turnips, carrots, beets, cabbage, leafy greens, and an array of winter squashes. This much produce fills two full share totes at each delivery. Only a limited number of Fall Storage Shares are available and pick up is only at our on farm, Northside of Appleton, or our Maple Bluff locations to help save on fuel costs.
