

Find a COVID-19 Vaccine Near You!

The Center for Disease Control (CDC) recommends everyone ages 12 and older to get a COVID-19 vaccination. Contact one of the locations below to schedule an appointment for you or your family members to get vaccinated.

On the day of your appointment:

- Drink lots of water—side effects are common, but the vaccine is safe. Being hydrated will help ease the symptoms.
- Do not take Ibuprofen or Tylenol preventatively as it could decrease effectiveness of the vaccine.

Visit the CDC's [Frequently Asked Questions](#) page for information about COVID-19 vaccinations.

Get answers to questions or help finding a vaccine near you. Help is available in English, Spanish, and many other languages: 1-800-232-0233
