If the new employee declines coverage, (s)he may enroll at the next open enrollment period except in the case of an event that permits earlier enrollment. An employee who declines coverage because (s)he was covered under other insurance may elect coverage to be effective on the first day of the month following the loss of such other coverage. The employee must apply for such change in coverage within thirty (30) days of the event causing the loss of the other coverage.

NEW DEPENDENTS:

CLAIM RULES

1. Definitions.

"Post-service claim" is a claim for payment or reimbursement after receipt of care.

"Pre-Service Estimate" is a claim filed before receipt of care showing the services to be provided to a Participant for treatment costing \$200.00 or more. Participants are encouraged to obtain pre-service estimates when using Tier Three Group Dentists to avoid any unnecessary reduction in benefits for non-covered services or services that are not dentally necessary. CARE-PLUS will evaluate the claim and notify the Group Dentist whether the requested services are covered under the Contract.

"Urgent care claim" is a claim where waiting the standard time for a benefit decision could seriously jeopardize a Participant's life, health or ability to regain maximum function or in the opinion of a physician with knowledge of the Participant's condition, would subject the Participant to severe pain that cannot be adequately managed without the care requested.

2. **Proof of Loss.** You must give Care-Plus written proof of a loss for which a claim is made. This proof must cover the occurrence, character and extent of the loss. You must furnish proof within ninety (90) days after the date of the loss, otherwise the claim will not be considered valid. However, if it is not reasonably possible to meet such time limit, the claim will still be considered valid if the proof is furnished as soon as reasonably possible.

3. Initial Determinations.

- a. Initial determinations will be made within the following timeframes.
 - (1) Pre-service claims: Within a reasonable amount of time appropriate to the medical circumstances but not later than sixty (60) days after the date the claim was received.
 - (2) Post-service claims: Within a reasonable period of time, but not later than thirty (30) days after the date the claim was received.

If Care-Plus determines that we will not be able to meet the above deadline, for reasons beyond our control, we will notify You in writing prior to the expiration of the initial deadline. The notice will state the reason for the delay and the date on which You can expect a decision. The expected decision date will not be more than fifteen (15) days from the original deadline. However, if we require additional information from You to make the benefit determination, the expected decision date will be not more than fifteen (15) days from the date You respond to the

request for additional information. The notice will specifically describe the additional information required. You will have forty-five (45) days from the date You receive the notice to provide the additional information.

b. Claim Denials.

If we deny Your claim, in whole or in part, we will inform You in writing. The denial notice will include all of the following:

- (1) The specific reason(s) for the denial.
- (2) Reference to the specific plan provision on which the denial is based.
- (3) A description of any additional information needed to complete the claim and an explanation of why the information is necessary.
- (4) A description of Your right to appeal, including the deadline and procedures, and Your right to bring a civil action under the Employee Retirement Security Income Act of 1974, as amended, ("ERISA") section 502(a) if the appeal is not decided in Your favor.
- (5) If we used a specific internal guideline to make our determination, a statement that we relied on such guideline and that You may obtain a copy of the guideline free of charge, upon request.
- (6) If the determination is based on a medical determination, such as that the procedure is not medically necessary or is experimental, a statement that, upon request and free of charge, an explanation will be provided of the scientific or clinical judgment for the determination as applied to Your medical condition.
- (7) If Your claim involves urgent care, a description of our expedited review process.
- c. Appeal of Claim Denials. You have one hundred eighty (180) days after You receive a notice described in part b above to appeal a claim denial. You appeal a claim denial by following the Grievance Procedure explained below.

Grievance Procedure.

You will be notified of Your right to file a Grievance and the procedure to follow each time a claim or benefit is denied. This includes a refusal to refer You for additional services, or when disenrollment proceedings are initiated. The notification will state the specific reason for the denial or initiation of disenrollment proceedings. The Grievance procedure is outlined below.

In the event that You have a complaint or problem regarding services under the Contract, You should submit Your Grievance in written form to CARE-PLUS' Grievance committee. The Grievance committee will acknowledge the Grievance in writing within five (5) business days of receipt.

If Your Grievance is an appeal of an urgent care claim, You may request an expedited Grievance. You should call 1-414-771-1711 or 1-800-318-7007 and state that You would like an expedited Grievance.

You have the following rights with respect to Your Grievance:

- a. The right to access all documents, records and other information relevant to Your claim and receive a copy of such information free of charge, upon request.
- b. The right to submit written comments, documents, records and other information relating to Your claim.

c. The right to appear before the Grievance committee to present written or oral information and to question the person who made the initial determination that resulted in the Grievance. The Grievance committee shall notify You of the date and time of the committee meeting at least seven (7) calendar days before the meeting is scheduled.

The Grievance committee will conduct a complete, new review of Your claim, without considering the initial determination. The committee will not include the person who originally denied the claim or that person's subordinate. If the claim requires a medical judgment, the committee will consult with a health care professional who has the appropriate training and experience in the field of medicine involved in the medical judgment. If a health care professional was consulted in making the initial determination, the health care professional consulted on appeal will not be the same person or that person's subordinate. Upon request, we will provide You with the names of the medical or vocational experts consulted to reach a determination.

The Grievance committee will provide You with a written decision within the following timeframes:

- a. Urgent care claim: As quickly as Your condition requires, but no later than within seventy-two (72) hours of receipt of the Grievance. If Care-Plus denies the claim and communicates the denial to You orally, You will receive a written notice within three days.
- b. Pre-service estimate: Within thirty (30) days of the date we originally received the Grievance.
- c. Post-service claim: Within thirty (30) days of the date we originally received the Grievance.

The committee's written decision will notify You of the result of Your Grievance and any corrective action taken. The decision will be signed by a member of the committee and include the position titles of the committee members.

If the Grievance committee denies Your appeal, in whole or in part, the written decision will include all of the following:

- a. The specific reason(s) for the denial.
- b. Reference to the specific plan provision on which the denial is based.
- c. A statement that You are entitled to access all documents, records and other information relevant to Your claim and receive a copy of such information free of charge, upon request.
- A statement of Your right to bring a civil action under ERISA section 502(a).
- e. If the Grievance committee used a specific internal guideline to make the determination, a statement that it relied on such guideline and that You may obtain a copy of such guideline free of charge, upon request.
- f. If the determination is based on a medical determination, such as that the procedure is not medically necessary or is experimental, a statement that, upon request and free of charge, an explanation will be provided of the scientific or clinical judgment for the determination as applied to Your medical condition.

You may resolve the Grievance by taking the steps outlined above. You also may contact the **OFFICE OF THE COMMISSIONER OF INSURANCE**, a state agency that enforces Wisconsin's insurance laws, and file a complaint. You can contact the **Office of the Commissioner of Insurance** at its website at http://oci.wi.gov/ or by writing to:

Office of the Commissioner of Insurance P.O. Box 7873 Madison, WI 53707-7873 Or You can call 800-236-8517 outside of Madison or 608-266-0103 in Madison, and request a complaint form.

Authorized Representative.

Your authorized representative may act on Your behalf in pursuing a claim or Grievance. Unless one of the exceptions listed below applies, You must submit a statement in writing that the representative is authorized to act on Your behalf and may receive Your confidential information. You expressly consent to, authorize and direct any Group Dentist or other person or corporation by whom or in which dental, medical or surgical treatment is being considered or has been rendered, to release any records or other information, or copies thereof, as CARE-PLUS may request.
- 4. **Subrogation**. Whenever CARE-PLUS has been or is providing Benefits because of an injury or sickness for which a third party may be liable, CARE-PLUS may make a claim or maintain an action against the third party for damages, reimbursement or payment to the extent of the value of Benefits received or to be received.

By accepting Benefits from CARE-PLUS relating to an injury or sickness, You assign to CARE-PLUS the right to make a claim against the third party to the extent of the value of Benefits rendered.

You shall hold in trust for CARE-PLUS any proceeds recovered to the extent of its subrogation rights.

You must not do anything after the loss to prejudice any rights of CARE-PLUS or of the Group to recovery. You must promptly advise CARE-PLUS and the Group in writing whenever a claim against a third party is made with respect to any loss for which Benefits were, or are being, received from CARE-PLUS.

Nothing contained in this section shall limit the ability or right of the Group to make a claim or maintain an action against the third party for recovery.

- 5. **Non-Assignment of Benefits**. No person other than You is entitled to Benefits under this Contract. Rights under this Contract are not assignable or transferable in any manner. Rights shall be forfeited if You or any other person assigns, transfers or aids any other person improperly in obtaining Benefits hereunder.
- 6. **Limitation of Actions**. No action shall be commenced more than three years from the time the written proof of loss is required to be furnished to CARE-PLUS.
- 7. **Obligation of CARE-PLUS**. CARE-PLUS shall in no way be responsible for any act or omission of any Provider, Group Dentist, professional practitioner or their agents, to supply Dental Services. The obligation of CARE-PLUS shall be limited solely to providing Benefits according to the provisions in the Contract.
- 8. **Reimbursement**. You agree to reimburse CARE-PLUS for any Benefits paid or provided for which You were not eligible under the terms of the Contract. Such reimbursement shall be due and payable immediately upon notification and demand to You by CARE-PLUS.
- Misrepresentations. Fraudulent misstatements by You shall void Your coverage and serve as the basis for denials of claims for Benefits.
- 10. **Dual Coverage**. If You are eligible for Benefits under more than one CARE-PLUS Contract, You shall be entitled to an allowance therefore equal to the Allowable Fee for the aggregate Benefits available under such CARE-PLUS Contracts, up to, but not exceeding, the total Billed Amount for all dental Services.

COORDINATION OF BENEFITS

1. APPLICABILITY. This Coordination of Benefits ("COB") provision applies to This Plan when a Participant has health care coverage under more than one Plan. However, this provision may be superseded by the Medicare secondary payor rules. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules shall be looked at first. The rules determine whether the Benefits of This Plan are determined before or after those of another Plan. The Benefits of This Plan:

- a. Shall not be reduced when, under the order of benefit determination rules, This Plan determines its Benefits before another Plan; but
- b. May be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described in the section "Effect on the Benefits of This Plan."

2. DEFINITIONS.

a. "Allowable Expense" means a necessary, reasonable and customary item of expense for health care. Allowable Expense includes Dental Services and Orthodontic Services, when the item of expense is covered at least in part by one or more Plans covering the claimant. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered shall be considered both an Allowable Expense and a benefit paid.

- b. "Claim Determination Period" means a Calendar Year. However, it does not include any part of a year during which a person has no coverage under This Plan or any part of a year before the date this COB provision or a similar provision takes effect.
- c. "Plan" means any of the following that provides benefits or services for, or because of, medical or dental care or treatment:
 - (1) Group insurance or group-type coverage, whether insured or uninsured, that includes continuous 24-hour coverage. This includes prepayment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage that is required or provided by law. This does not include a state plan under Medicaid. It also does not include any plan whose benefits, by law, are excess to those of any private insurance program or other non-governmental program. Each contract or other arrangement for coverage under (1) or (2) is a separate Plan. If an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.
- d. "Primary Plan"/"Secondary Plan". The order of benefit determination rules state whether This Plan is a Primary Plan or Secondary Plan as to another Plan covering the person.
 - When This Plan is a Secondary Plan, its Benefits are determined after those of the other Plan and may be reduced because of the other Plan's benefits.
 - When This Plan is a Primary Plan, its Benefits are determined before those of the other Plan and without considering the other Plan's benefits.
 - When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more other Plans and may be a Secondary Plan as to a different Plan or Plans.
- e. "This Plan" means the part of the Group Contract that provides Benefits for dental service expenses.
- 3. ORDER OF BENEFIT DETERMINATION. When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan that has its Benefits determined after those of the other Plan, unless:
 - a. The other Plan has rules coordinating its benefits with those of This Plan; and
 - b. Both those rules and This Plan's rules described below require that This Plan's Benefits be determined before those of the other Plan.
- 4. RULES. This Plan determines its order of benefits using the first of the following rules that applies:
 - a. <u>Non-dependent/Dependent</u>. The benefits of the Plan that covers the person other than as a Dependent are determined before those of the Plan that covers the person as a Dependent.
 - b. <u>Dependent Child/Parents Not Separated or Divorced</u>. Except as stated in subparagraph c., when This Plan and another Plan cover the same child as a Dependent of different persons, called "parents":
 - (1) The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year are determined before those of the Plan of the parent whose birthday falls later in that Calendar Year; but

(2) If both parents have the same birthday, the benefits of the Plan that covered the parent longer are determined before those of the Plan that covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described in (1) but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan shall determine the order of benefits.

- c. <u>Dependent Child/Separated or Divorced Parents</u>. If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:
 - (1) First, the Plan of the parent with custody of the child;
 - (2) Then, the Plan of the spouse of the parent with the custody of the child; and
 - (3) Finally, the Plan of the parent not having custody of the child.

Also, if the specific terms of a court decree state that the parents have joint custody of the child and do not specify that one parent has responsibility for the child's health care expenses or if the court decree states that both parents shall be responsible for the health care needs of the child but gives physical custody of the child to one parent, and the entities obligated to pay or provide the benefits of the respective parents' Plans have actual knowledge of those terms, benefits for the Dependent child shall be determined according to rule b. above.

However, if the specific terms of a court decree state that one parent is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

- d. Active/Inactive Employee. The benefits of a Plan that covers a person as an employee who is neither laid off nor retired or as that employee's dependent are determined before those of a Plan that covers that person as a laid off or retired employee or as that employee's dependent. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule d. is ignored.
- e. <u>Continuation Coverage</u>. If a person has continuation coverage under federal or state law and is also covered under another plan, the following shall determine the order of benefits:
 - (1) First, the benefits of a plan covering the person as an employee, member or subscriber or as a dependent of an employee, member or subscriber.
 - (2) Second, the benefits under the continuation coverage.

If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this paragraph e. is ignored.

- f. <u>Longer/Shorter Length of Coverage</u>. If none of the above rules determines the order of benefits, the benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.
- 5. EFFECT ON THE BENEFITS OF THIS PLAN.

- a. When This Section Applies. This Section applies when, in accordance with the Section "Order of Benefit Determination", This Plan is a Secondary Plan as to one or more other Plans. In that event the Benefits of This Plan may be reduced under this section. Such other Plan or Plans are referred to as "the other Plans" below.
- b. <u>Reduction in This Plan's Benefits</u>. The Benefits of This Plan will be reduced when the sum of the following exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The Benefits that would be payable for the Allowable Expenses under This Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made. Under this provision, the Benefits of This Plan will be reduced so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses.

When the Benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

- 6. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION. CARE-PLUS has the right to decide the facts it needs to apply these COB rules. It may get needed facts from or give them to any other organization or person without the consent of the insured but only as needed to apply these COB rules. Medical records remain confidential as provided by state law. Each person claiming Benefits under This Plan must give CARE-PLUS any facts it needs to pay the claim.
- 7. FACILITY OF PAYMENT. A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, CARE-PLUS may pay that amount to the organization that made that payment. That amount will then be treated as though it was a Benefit paid under This Plan. CARE-PLUS will not have to pay that amount again. The term "payment made" means reasonable cash value of the Benefits provided in the form of services.
- 8. RIGHT OF RECOVERY. If the amount of the payments made by CARE-PLUS is more than it should have paid under this COB provision, it may recover the excess from one or more of:
 - a. The persons it has paid or for whom it has paid;
 - b. Insurance companies; or
 - c. Other organizations.

The "amount of the payments made" includes the reasonable cash value of any Benefits provided in the form of services.

Summary Plan Description Additional Information

Your employer (the "Group") has adopted the CARE-PLUS Dental Plans, Inc. Dental Care Group Policy (the "Plan"). The Plan is an insurance policy CP-401-TA-15 issued by CARE-PLUS Dental Plans, Inc. ("CARE-PLUS").

Detailed and complex legal documents recite the formal text of the Plan. The Certificate of Insurance ("Certificate"), Addendum "A" and "B", the Procedure Description and this information, comprise the Summary Plan Description (the "SPD") for the Plan. The SPD explains the main provisions of the Plan so that You may understand the Plan's operation and its benefit to You. The SPD cannot change, add to, or subtract from, the formal Plan document. If the SPD and the Plan document are inconsistent, the formal Plan document will control. The Group reserves the right to amend or terminate the Plan at any time and without prior notice. You may inspect a copy of the Plan document at the Group office.

We suggest that You read the SPD carefully. Certain capitalized terms used in the SPD are defined in the Certificate. If You have any questions after reading the SPD, please contact CARE-PLUS at CARE-PLUS Dental Plans, Inc., 3333 N. Mayfair Road, Suite 311, Wauwatosa, WI 53222 or contact the Plan Administrator listed on the Plan Benefit Schedule.

FEDERAL PROVISIONS

- 1. <u>Qualified Medical Child Support Order</u>. The Plan provides coverage of children pursuant to a qualified medical child support order as defined in the Omnibus Budget Reconciliation Act of 1993. The Plan's procedures for reviewing these orders, are available, without charge, upon written request to the Plan Administrator.
- 2. <u>Family and Medical Leave Act</u>. All provisions under the Plan are intended to be in compliance with the Family and Medical Leave Act of 1993 ("FMLA"). Any Plan provisions which conflict with the FMLA are superseded by the FMLA to the extent of such conflict. You should contact Your Group, if You have questions regarding FMLA and the extent to which it applies to You.
- 3. <u>Uniformed Services Employment and Reemployment Rights Act</u>. If You are returning from military service, You may have rights mandated by the Uniformed Services Employment and Reemployment Rights Act ("USERRA"). You should contact Your Group if You have questions regarding USERRA and the extent to which it applies to You.
- 4. <u>Medicaid</u>. As a group health plan subject to ERISA, the Plan complies with ERISA section 609(b) regarding Medicaid.
- 5. <u>HIPAA Special Enrollment Rights</u>. The Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires group health plans to provide special enrollment periods during which previously Eligible Members who declined coverage for themselves and their eligible Dependents may enroll in the Contract without waiting until the next open enrollment period. A special enrollment period occurs under the following circumstances:
 - 1. Loss of Coverage: If You previously declined in writing to enroll Yourself or Your eligible Dependents in the Contract because of other health insurance coverage, You may be able to enroll Yourself and Your Dependents who lose other health insurance coverage. You must request enrollment, in writing, within 30 days after Your and Your eligible Dependents other coverage ends. Your coverage will be effective no later than the first of the month following the date You elect coverage under the Contract.
 - 2. New Dependent: If You acquire a new Dependent through marriage, birth, adoption, or placement for adoption, You may be able to enroll Yourself and Your newly-acquired Dependents in the Contract. You must request enrollment, in writing, within 30 days after the marriage, birth, adoption, or placement for adoption. In the case of birth, adoption or placement for adoption, coverage for the newborn child or the adopted child and You and Your spouse (if not already enrolled) will be effective retroactive to the date of birth, date of adoption or placement for adoption. In the case of marriage, coverage for You and Your new spouse or other eligible Dependents acquired through marriage will be effective no later than the first of the month following the date You elect coverage under the Contract.

You and Your eligible Dependents may have other enrollment rights under the Contract. To the extent any other enrollment rights conflict or overlap with these HIPAA special enrollment rights, You and Your eligible Dependents will be entitled to the most favorable enrollment rights.

6. <u>COBRA</u>. The Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 allows a Participant to continue coverage beyond the date coverage normally ends. An employer may be required to comply with COBRA. The Group must determine whether COBRA applies to it.

You may elect COBRA if you are a Qualified Beneficiary and you lose coverage under this Plan due to a Qualifying Event, subject to the following terms and conditions:

- 1. Qualified Beneficiaries. You are a Qualified Beneficiary if:
 - a. You are a Member or Dependent and were covered by the Contract on the day before the Qualifying Event; or
 - b. You are a child born to, or adopted by or placed for adoption with a Member during a COBRA continuation period. You must be eligible for coverage, and the Member must enroll You on a timely basis under the Contract.
- 2. Qualifying Events. A Qualifying Event is one of the following events that would cause the Qualified Beneficiary to lose coverage within the Maximum Continuation Period:
 - a. Termination of the Member's employment (for any reason other than gross misconduct), or reduction in the Member's work hours.
 - b. Death of the Member.
 - c. Legal separation or divorce from the Member.
 - d. Loss of eligibility by a Dependent child due to the termination of Dependent status.
- 3. Maximum Continuation Period. The Maximum Continuation Period following a Qualifying Event lasts:
 - a. Eighteen (18) months from the date of a Qualifying Event stated in 2a above. A Participant may extend this 18-month period as follows:
 - (1) Member Entitlement to Medicare. If the Member is entitled to Medicare at the time of an initial Qualifying Event, then the period of continuation for covered Dependents is the later of 36 months from the date of Medicare entitlement, or 18 months from the date of the Qualifying Event.
 - (2) <u>Total Disability</u>. The 18 months may be extended up to a total of 29 months from the original Qualifying Event for total disability. A Qualified Beneficiary must be Social Security disabled at the date of the Qualifying Event or become disabled within the first 60 days of continuation coverage.
 - (3) <u>Second Qualifying Event</u>. The 18 (or 29) months also may be extended up to a total of 36 months from the original Qualifying Event. An extension is allowed if during the initial 18 (or 29) months of continuation, one of the Qualifying Events

described in 2b through 2d above occurs that would otherwise have caused covered Dependents to lose coverage.

- b. Thirty-six (36) months after the date of a Qualifying Event stated in 2b through 2d above.
- 4. Termination. COBRA continuation coverage will terminate on the earliest of the following dates:
 - a. The last day of the period for which the Participant made a timely premium payment.
 - b. For a disability extension, the first of the month which is more than 30 days after the Social Security Administration determines that the Qualified Beneficiary is no longer disabled.
 - c. The date the Qualified Beneficiary first becomes covered under another group health plan after making a COBRA election. This applies only if the other group plan does not limit the Qualified Beneficiary's coverage under a pre-existing condition limitation.
 - d. The date the Qualified Beneficiary first becomes entitled to Medicare, after making a COBRA election.
 - e. The Group termination date.
 - f. The date the Maximum Continuation Period expires.
- 5. Group Notification of Qualifying Events. The Group must notify the Group's COBRA administrator of a Member's death, entitlement to Medicare, employment termination or reduction in work hours.
- 6. Participant Notification of Qualifying Events. The Participant must notify the Group's COBRA administrator in writing of the following events:
 - a. <u>Divorce/Legal Separation</u>. Within sixty (60) days of the later of (1) the date of divorce or legal separation from the Member; or (2) the date that the Participant would lose coverage due to this event.
 - b. <u>Child Loses Eligibility</u>. Within sixty (60) days of the later of (1) the date that a covered Dependent child loses eligibility (e.g., due to age, loss of student status, marriage, etc.); or (2) the date that the Dependent child would lose coverage due to this event.
 - c. Social Security Disability Extension. Within sixty (60) days after the latest of:
 - (1) The date of the Social Security Administration's disability determination;

- (2) The date of the Member's termination of employment or reduction of hours; or
- (3) The date on which the Qualified Beneficiary loses (or would lose) coverage under the terms of the Contract as a result of the Member's termination of employment or reduction of hours.

The Participant also must provide disability notice before the original 18-month continuation period expires.

- d. <u>Second Qualifying Event</u>. Within sixty (60) days of the later of: (1) the date of the occurrence of a second Qualifying Event (i.e., divorce, legal separation, Member entitlement to Medicare, or child loss of eligible Dependent status); or (2) the date the Qualified Beneficiary would lose coverage due to the event if the Qualified Beneficiary had still been covered under the Contract.
- e. <u>COBRA Notice Procedures</u>. The Participant must provide written notice of the above events. The Participant should provide notice to the Group's COBRA administrator at the following address:

Discovery Benefits P.O. Box 869 Fargo, ND 58107-0869

The notice must contain the following information:

- (1) The Plan name;
- (2) The Group name;
- (3) The Member or former Member's name and address;
- (4) The names of all Qualified Beneficiaries who lost coverage due to the event;
- (5) The type of event;
- (6) The date of the event;
- (7) The signature, name and address of the individual sending the notice;
- (8) For divorce or legal separation, a copy of the decree of divorce or legal separation; and
- (9) For disability extensions, a copy of the Social Security Administration's determination of disability.

Oral notice is unacceptable. Failure to provide proper written notice on a timely basis will result in loss of all rights to continuation of coverage.

- 7. Notification of Qualifying Events. The Group's COBRA administrator will notify a Participant of the right to elect continuation of coverage after it receives notice of the Qualifying Event. Notice to the Member or the Member's covered spouse is considered notice to all Qualified Beneficiaries residing with the Member or Member's covered spouse.
- 8. Qualified Beneficiary Notification of Loss of Eligibility for Continuation. A Qualified Beneficiary must notify the Group's COBRA administrator, in writing, within thirty (30) days of either of the following events:
 - a. Medicare or Other Group Plan Coverage. A Qualified Beneficiary becomes ineligible for COBRA if he/she becomes entitled to Medicare (Part A or Part B, or both) after making a COBRA election. A Qualified Beneficiary becomes ineligible for COBRA if he/she becomes covered under other group health plan coverage after making a COBRA election. This rule applies only after the Qualified Beneficiary exhausts or satisfies the other plan's preexisting condition exclusions.

COBRA coverage will terminate as of the date of Medicare entitlement or as of the beginning date of the other group health coverage. Termination may be retroactive. The Qualified Beneficiary must repay the Plan for all benefits paid after the termination date. The Plan requires repayment regardless of whether or when the Qualified Beneficiary provided notice of Medicare entitlement or other plan coverage.

b. <u>Termination of Social Security Disability</u>. If the Social Security Administration issues a determination that a Qualified Beneficiary is no longer disabled, then continuation coverage terminates. Termination occurs on the first of the month that is more than 30 days after the Social Security Administration determines that he/she is no longer disabled. The Qualified Beneficiary must repay all benefits paid after the termination date. The Plan requires repayment regardless of whether or when he/she provides notice of the Social Security Administration's determination.

The written notice must include the Plan name, the Group name, the Member or former Member's name, the type of event, the name(s) of any other Qualified Beneficiary affected by the event and the name, address and signature of the Qualified Beneficiary who submits the notice.

- 9. Election Period. A Participant will be given a period of sixty (60) days to elect COBRA coverage. The Group's COBRA administrator will send the Participant an election form to complete and return. If a Participant initially rejects COBRA, the Participant may change his/her mind as long as the sixty (60) day election period has not expired. The election period begins on the later of:
 - a. The date coverage terminates.
 - b. The date the Group's COBRA administrator notifies the Participant of his/her right to elect continuation coverage.

A terminated Member or the Member's spouse can elect coverage on behalf of all Qualified Beneficiaries in the family. If the terminated Dependent is a minor, his/her parent or guardian may act on his/her behalf. All Qualified Beneficiaries in a family have individual election rights.

10. Special Considerations for COBRA Election. There are special considerations for a COBRA election. A Participant should consider that a failure to elect COBRA will affect future rights under federal law. First, the Participant can lose the right to avoid having preexisting condition exclusions applied to the Participant by other group health plans. A preexisting condition exclusion may apply if the Participant has more than a sixty-three (63) day gap in health coverage. The Participant may not have such a gap if he/she elects COBRA. Second, the Participant will lose the guaranteed right to purchase individual health insurance policies that do not impose such preexisting condition exclusions if the Participant does not get COBRA coverage for the maximum time available. Finally, the Participant should consider that he/she has special enrollment rights under federal law. The Participant has the right to request special enrollment in another group health plan for which the Participant is otherwise eligible (such as a plan sponsored by the Participant's spouse's employer) within thirty (30) days after the Participant's group health coverage under the Plan ends because of a Qualifying Event. The Participant also will have a special enrollment right at the end of COBRA coverage if the Participant gets COBRA coverage for the maximum time available.

11. Premiums and Payments.

- a. Amount. The premium charged may not exceed 102% of the effective Group rate. For disability extensions, the premium in the nineteenth (19) through twenty-ninth (29) months may equal 150% of the Group rate. The Participant must make premium payment by check.
- b. <u>Initial Payment</u>. If the Participant elects COBRA, he/she does not have to send any payment with the election form. However, the Participant must make his/her initial payment for COBRA coverage not later than forty-five (45) days after the date of the election. (This is the date the election form is postmarked, if mailed. This is the date the election form is received at the address specified for delivery of the election form, if hand-delivered.) If the Participant does not make his/her initial payment for COBRA coverage in full within forty-five (45) days after the date of his/her election, the Participant will lose all COBRA rights under the Plan.

The Participant's initial payment must cover the cost of COBRA coverage from the time his/her coverage under the Plan would have otherwise terminated through the end of the month before the month in which the Participant makes his/her first monthly payment. The Participant must make sure that the amount of his/her initial payment is correct. The Participant may contact the Group's COBRA administrator to confirm the amount of the initial payment.

The Plan will not process reimbursement claims or pay claims until the Participant elects COBRA and makes his/her first COBRA payment.

c. Monthly Payments. After the Participant makes his/her initial payment for COBRA coverage, the Participant makes subsequent monthly payments. The Group's COBRA administrator will inform the Participant of the monthly amount for each Qualified Beneficiary. Under the Plan, monthly COBRA payments are due on the 1st day of the month for that month's COBRA coverage. The Group's COBRA administrator will not send monthly payment notices. The Participant must pay COBRA premiums on time. If the Participant makes a monthly payment on or before the 1st day of the month, the Participant's COBRA coverage under the Plan will continue for that month without any break.

Although monthly payments are due on the 1st day of the coverage month to continue COBRA coverage for that month, the Participant will be given a grace period to make payment. The grace period for monthly payments is thirty (30) days from the first day of the month of coverage. The Plan will continue the Participant's COBRA coverage each month as long as the Participant makes payment for that month before the end of the grace period.

However, if the Participant makes a monthly payment later than the due date, but before the end of the grace period, the Plan will suspend the Participant's COBRA coverage as of the first day of the month. The Plan will retroactively reinstate (going back to the first day of the month) COBRA coverage when the Group's COBRA administrator receives the monthly payment. Any claim the Participant submits for benefits while his/her coverage is suspended may be denied. The Participant may have to resubmit the claim once the Participant's coverage is reinstated.

If the Participant fails to make a monthly payment before the end of the grace period for that month, he/she will lose all rights to COBRA coverage under the Contract.

d. Where to Make Payments. The Participant's initial payment and all monthly payments for COBRA coverage should be mailed or hand-delivered to the Group's COBRA administrator as follows:

Discovery Benefits P.O. Box 869 Fargo, ND 58107-0869

If mailed, the Participant's payment is considered to have been made on the date that it is postmarked. If hand-delivered, the Participant's payment is considered to have been made when it is received at the address specified above. The Participant will not be considered to have made any payment by mailing or hand delivering a check if his/her check is returned due to insufficient funds or otherwise.

STATEMENT OF ERISA RIGHTS

Plan Participants are entitled to certain rights and protections pursuant to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Group and Plan Administrator intend to comply fully with ERISA. If You have a question about the Plan, how it is run and how it affects You, You should contact the Plan Administrator or CARE-PLUS.

ERISA provides that all Plan Participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work sites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated SPD. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each Participant with a copy of this summary annual report.

2. Continue Group Dental Plan Coverage

Continue dental care coverage for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this SPD and the documents governing the Plan on the rules governing Your COBRA continuation coverage rights.

3. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other Plan Participants and beneficiaries. No one, including Your employer or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a benefit or exercising Your rights under ERISA.

4. Enforce Your Rights

If Your claim for a benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay You up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If You have a claim for Benefits that is denied or ignored, in whole or in part, You may file suit in a state or Federal court. In addition, if You disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, You may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds Your claim is frivolous.

5. Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.
